

Site Leaderboard Report

The *Site Leaderboard Report* presents statistics related to student achievement in the Reading component (SeeReader). Educators can use this information to develop motivation strategies that support student use and progress school-wide. Having motivation plans in place will help foster optimal outcomes with Reading Plus.

The default time period for the report is All Weeks (Including Current).

Use the wide array of filters to customize the report to fit your needs.

By default, the class with the highest average number of Reading lessons completed per student is listed at the top.

Click on a column header once to sort data from lowest to highest. Click twice to sort from highest to lowest.

- Download a PDF that can be printed or saved; or
- Export data as a CSV spreadsheet.

Class	# Active Students	Avg Reading Lessons	Avg Reading Lessons 80%+	Total Words Read	Avg Words Read	Avg Words Read 80%+	Avg Comp %	Avg Combos	Avg Rate Gain (wpm)	Level Gain
After School Program	10	59.4	38.9	929,454	92,945	59,581	82%	16	62	2.5
Albright Period 1	10	44.3	31.4	645,946	64,595	44,907	83%	12	54	1.7
Albright Period 2	10	36.4	22.8	549,774	54,977	34,116	80%	8	37	1.2
ELA Period 3	32	105.2	75.6	1,492,555	165,091	119,417	84%	32	86	4.0
Mora Period 3										2.5
Mora Period 4										1.7
Mora Period 5										1.2
Writing Club										4.0

View the Top Students in the school on the basis of four different achievement statistics:

- Number of Reading lessons completed
- Number of Reading lessons completed with 80% or higher comprehension
- Words-per-minute rate gain in the Guided Window
- Number of Combos earned (two consecutive lessons with 80%+ comprehension)

The *Class Ranking* view presents the following statistics related to work in the Reading component:

- **# Active Students** - Number of students who have completed at least one Reading lesson during the defined time period
- **Avg Reading Lessons** - Average number of Reading lessons completed per student
- **Avg Reading Lessons 80%+** - Average number of Reading lessons per student completed with 80% or higher comprehension
- **Total Words Read** - All words read by all students in all Reading selections, regardless of comprehension score
- **Avg Words Read** - Average number of words read per student in all Reading selections, regardless of comprehension score
- **Avg Words Read 80%+** - Average number of words read per student in Reading selections with 80% or higher comprehension
- **Avg Comp %** - Average comprehension score per student for completed Reading lessons
- **Avg Combos** - Average number of Combos earned per student. A Combo is two consecutive lessons with 80% or higher comprehension.
- **Avg Rate Gain (wpm)** - Average words-per-minute rate gain per student in the Guided Window
- **Avg Level Gain** - Average grade-level gain per student in the Reading component
