

Student Vocabulary Progress Report

Report Overview

The Student Vocabulary Progress Report presents data for every lesson a student has completed in the Vocabulary component (ReadAround). Use the report to view overall progress, details pertaining to each Vocabulary lesson, and lists of words in progress and words mastered.

The screenshot shows a 'Student Vocabulary Progress Report' interface. At the top, there are filters for 'Filter By:' and 'Time Period:'. Below this, a progress bar shows the 'Current Vocabulary Level' (5.0) and 'Level Gain: 0.7'. A table below lists lessons with columns for Date, Time, Duration, Grade Level, Words In Progress, and Words Mastered. Callout boxes provide detailed explanations of these elements.

Callout 1: By default, data on the report is cumulative, including the current week of instruction.

Callout 2: View the student's starting Vocabulary level.

Callout 3: View the student's current Vocabulary level in the blue bar.

Callout 4: View the grade level and Vocabulary level for each lesson.

Callout 5: View the student's current Vocabulary level, along with the number of words mastered on the current level. You can also view the total number of words mastered and total level gain to date.

Callout 6: View when each Vocabulary lesson was completed and the amount of time spent.

Callout 7: View the number of words practiced (Words in Progress) and the number of words mastered during each lesson. Students will be exposed to Words in Progress in subsequent lessons until they demonstrate mastery.
