# Your reading partner of choice

Reading Solutions UK is the home of Reading Plus, the only online reading programme which **develops silent reading fluency, comprehension, vocabulary, and motivation.**

As an educator we understand the pressures of the classroom and recognise and respect the problems that our colleagues need to tackle in terms of reading results.

## Stakeholder benefits, hear from:

### Students:

“Reading is fun now.”

“I’ve read books I wouldn’t usually read.”

“I don’t feel embarrassed picking a reading book from the shelf now.”

“The challenges are brilliant. I love getting combos!”

### Multi Academy Trust Leaders:

“We can now demonstrate a measurable return on investment to stakeholders.”

“Reading Plus gives us a joined-up reading strategy across KS2-3 for all schools in the trust, meaning greater consistency.”

“Leaders are able to track reading levels and progress at both individual school and trust level.”

“Access to ongoing training and support through Reading Solutions UK ensures sustainability year-on-year.”

### Executive Heads/Headteachers:

“The acceleration in reading development has had a direct impact on results.”

“The data available enables me and senior managers to evidence impact to parents and governors.”

“We have seen an improvement in our engagement since the introduction of Reading Plus”

### Class Teachers:

“I can have every child in my class on Reading Plus without the need for me to prepare extra resources.”

“Having my teacher login open in the background makes it simple to identify and support children during their Reading Plus lessons.”

“The short and snappy reading sessions are really engaging and motivate children to want to find out more.”

“Having a wide variety of fiction and non-fiction texts on Reading Plus opens up new opportunities for

### Parents and Carers:

“I love seeing what reading level my child is at and how much progress they’ve made.”

“I never know what type of books to buy so Reading Plus has been great, it gives my child lots of choice of things they can read.”

“I can’t read English, but I can navigate the programme to help my child.”

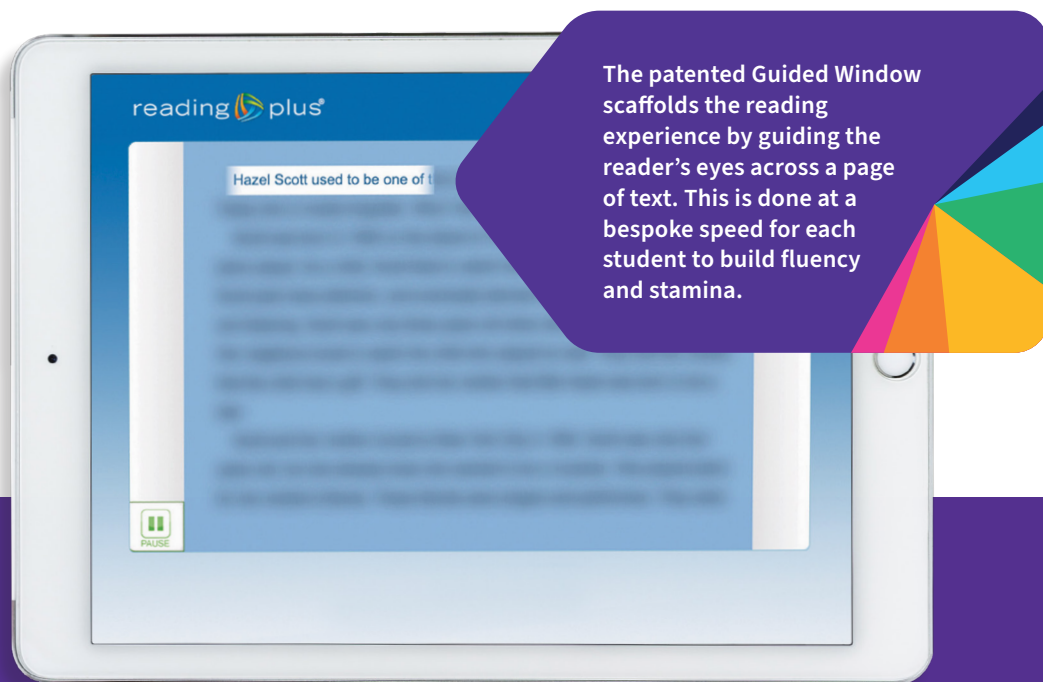

# How Reading Plus works

## If a student can't read fluently:

They will struggle with comprehension. They won't understand what they have read. They are less likely to read for pleasure.

Reading Plus is the only adaptive literacy tool that addresses the hidden hurdle of inefficient silent reading.

Reading Plus is built on decades of foundational research in silent reading development, vocabulary improvement through contextual analysis, decoding practice, reading stamina, efficiency development, and comprehension improvement.

# Timeline

## Throughout the academic year

### Training and support

---

As part of your Reading Plus licence, our Partner Plus team is available during school hours to help implement the programme in your school and provide ongoing tailored support checks, training, and pedagogic advice.

### Star of the Month

---

If a student shows excellent progress, effort, or determination on Reading Plus and you would like to acknowledge this, nominate them for our Star of the Month award. One winner will be chosen per month by recognition of their achievements. The student will be chosen by Reading Solutions UK and they will be awarded a £25 book voucher, certificate and trophy, and celebrated across our social media channels.

### Celebrating successes

---

To celebrate your students' success on Reading Plus, we have a range of editable certificates to acknowledge progress and milestones reached. These include levelling up, vocabulary achievements, and words read milestones. These are all printable and can be found in the Resources Hub of our website.

### Support checks

---

Our Partner Plus team carries out regular support checks to ensure your account runs smoothly and identify areas that may be impacting student progression. Our team will offer advice, guidance, and further training to ensure you achieve the most impact from the programme.

## September

### Imports and InSight Assessments

---

Once new class details are imported, all students will be ready for the Reading Plus InSight Assessment. It will determine students' reading proficiency and automatically place them at their correct reading level in the programme.

## December and July

### Lexile Reports

---

The Reading Plus Lexile Tracking Report is designed to evidence formative student progression in reading speed, comprehension, and vocabulary whilst also identifying students who require further support or intervention. They are also valuable for Business Managers and Governors.

Students will need to have read an average of 20 stories per class, per term receive the report. Lexile Reports are available upon request.

## June

### Special recognition

---

Our Partner Plus team will acknowledge students who have made significant achievements on Reading Plus with an end of academic year certificate.

## July

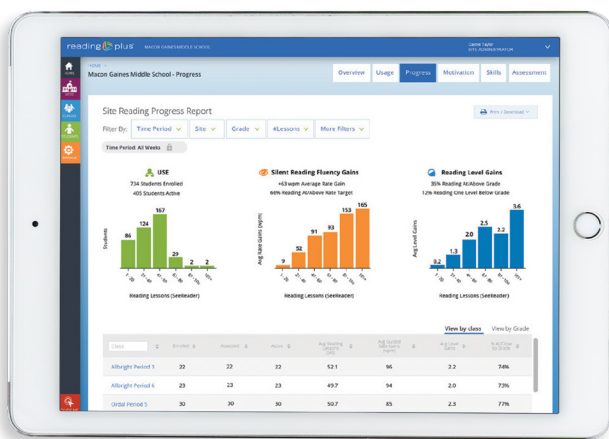

### New cohorts and class information for September

---

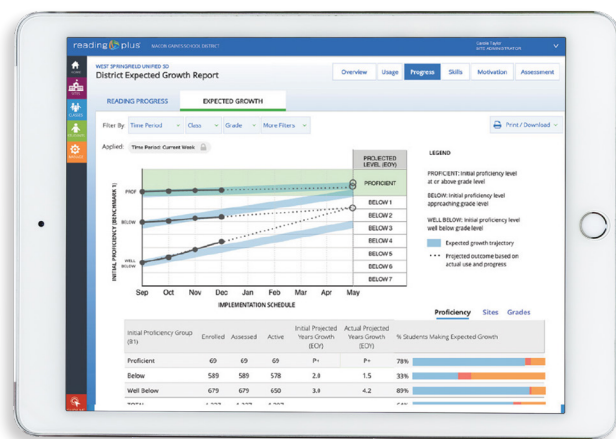

To enable our Partner Plus team to ensure you have a seamless transition in the new academic year - it's time for your school to provide details of new classes and students. You will receive email instructions on how to do this.

# Actionable data at your fingertips

Reading Plus supports good teaching first. With its robust and flexible tools and easy-to-access data-driven reports, Reading Plus will enable you to spend less time planning – and more time teaching. You will have quick access to a complete suite of reports that show growth at student, class, and school levels.

**The Reading Progress Report** makes it easy for administrators to monitor use and progress.

**The Expected Growth Report** helps predict student growth over time.

## Rapid results

Reading Plus is designed to **rapidly accelerate reading growth** for students at all reading proficiency stages.

In just 40 to 60 hours of Reading Plus use, Expected and Emerging readers make significant gains to close the achievement gap.

Exceeding pupils at age-related expectations improve proficiency and significantly increase silent reading fluency rates to master higher volumes of complex text.

## Sample instructional implementations

Pupil Reading Level Status	Typical Weekly Schedule	Total Annual Instructional Time Recommendation
<b>Exceeding</b>	2 Lessons, 20-30 Min Each	20 Hrs
<b>Expected</b>	3 Lessons, 20-30 Min Each	40 Hrs
<b>Emerging</b>	4 Lessons, 20-30 Min Each	60 Hrs
