

5 Steps to Success in Reading Plus

1

Good and Consistent Usage

Consistent and effective use of Reading Plus will help build proficiency quicker and achieve success.

As best practice, we recommend a minimum of 3 sessions per week, 30 minutes per session.

2

Using ReReads

To reach target scores, make use of ReReads!

ReReads are the most important support scaffold when answering comprehension questions.

Re-reading text allows for practising information retrieval before answering questions, reducing the chances of guessing.

3

Achieving 80%+ Comprehension Scores

Aim to achieve 80% or higher in comprehension scores.

The Comp score is the number of correct answers out of the 10 questions following the reading passages.

4

Building Combos

Combos are key to unlocking new levels in the Reading component (SeeReader®).

To earn a Combo, complete two Reading Lessons in a row with 80% or higher.

5

Levelling Up and Celebrating Success

Once all required Combos are earned on the current level, progress to the next level is made, and a printable Level Award certificate is earned.
