

Welcome to DreamBox Reading Plus

Reading Plus is an adaptive, online reading development programme. Reading Plus will:

Improve reading fluency, comprehension, and vocabulary.

Reduce teacher workload allowing you more time to do what you do best – teach.

Expose pupils to various questioning styles in line with the KS2 content domains.

Offer unlimited free training and support at any point during your licence.

Provide you with comprehensive data for individual, class, and school levels.

Expand pupils' cultural capital through high-interest texts.
